PRODUCT FEATURES

Material	Stainless Steel
Wall Requirement	Flush mount option not suitable for 2" x 4" walls Minimum wall depth 2" x 6"
Associated Fixture	1501-GB

DESCRIPTION

The 1501 Series Glass Border Flush Tray is a mounting option that is specifically designed for flush mounting 1501 Glass Border options. This accessory mounts directly to the Rough-In Section and **MUST be ordered and installed with the Rough-In section** to position the Step Light door front plane flush with the finished wall surface.

Constructed of Stainless Steel sheet, this mount is powder coated black. The mount can be used in poured concrete or block construction, as well as drywall IC and non-IC walls. The flush tray can be adjusted for 1/2" thick or 5/8" thick finished wall surfaces.
